Perfect Support Every Night

Our Perfect Night beds are all made at the Sleepyhead factory right here in Christchurch. We spin the wire to create the 5-zone pocket springs and evenly heat temper them so they support you perfectly every night.

We make our own eco-friendly Dreamfoam® to ensure the foam comes out just right and feels fantastic.

You can trust that every Sleepyhead goes out the door with our highest quality guarantee.

FIBRE: WOOL+SILK
naturally luxurious

Blended silk and New Zealand Wool fibres beneath the fabric aid breathability and cushioning.

Dreamfoam
environmentally friendly

Eco-friendly breathable Dreamfoam with a plush feel provides extra support and luxurious comfort.

FUSION:GEL
balanced temperature

This advanced comfort layer technology combines the pressure-relieving ability of our superior Memory Foam with the heat absorbing qualities of gel particles.

LatexGOLD
hypo-allergenic control

Natural antibacterial properties help maintain a dust free, healthier sleep environment which is great for asthma and hay fever sufferers.

POCKETSPRING
independent support

Five posture zones for extra support where it is needed most, helps eliminate partner disturbance while providing optimal comfort and support.

COMFORT:EDGE
edge to edge support

Solid foam edge provides support right to the edge of the mattress which reduces the roll out feeling.
