

Sleepyhead wool collection

DAKOTA

FIRM

Made right here in Christchurch, our Wool Collection range combines the natural hypoallergenic and breathability of New Zealand wool with the temperature regulating technology of DreamfoamGel to deliver a quality night's sleep.

FIBRE: WOOL

naturally luxurious

The beautiful natural wool used in our quilting is sustainably produced right here in New Zealand. Wool is renowned for its heat regulating properties and breathability; it is also naturally hypoallergenic making it perfect for allergy sufferers.

Dreamfoam®:GEL

gel infused foam

This new generation of gel infusion technology provides great support while balancing your temperature

Dreamfoam®

environmentally friendly

High density unique foam structure with a firm feel provides extra support and luxurious comfort.

POCKETSPRING

independent support

Full height, NZ made pocket springs sit independent of each other in the mattress, so only those springs in direct contact with the body move to provide support where needed.

COMFORT:EDGE

edge to edge support

Solid foam edge provides support right to the edge of the mattress which reduces the roll out feeling.

FRESHPROTECT

hygienic. comfort.

Allergy friendly with Fresh Protect to inhibit the growth of mould, mildew and other nasties that are known triggers for asthma and allergies.
