

Sleepyhead wool collection

DAKOTA

Made right here in Christchurch, our Wool Collection range combines the natural hypoallergenic and breathability of New Zealand wool with the luxurious comfort of natural latex. New Zealand made independent pocket springs provide all the support you need with reduced partner disturbance.

FIBRE: WOOL

naturally luxurious

The beautiful natural wool used in our quilting is sustainably produced right here in New Zealand. Wool is renowned for its heat regulating properties and breathability; it is also naturally hypoallergenic making it perfect for allergy sufferers.

LatexGOLD

hypo-allergenic control

Natural antibacterial properties help maintain a dust free, healthier sleep environment which is great for asthma and hay fever sufferers.

Dreamfoam

environmentally friendly

High density unique foam structure with a firm feel provides extra support and luxurious comfort.

POCKETSPRING

independent support

Full height, NZ made pocket springs sit independent of each other in the mattress, so only those springs in direct contact with the body move to provide support where needed.

COMFORT:EDGE

edge to edge support

Solid foam edge provides support right to the edge of the mattress which reduces the roll out feeling.

FRESHPROTECT

hygienic. comfort.

Allergy friendly with Fresh Protect to inhibit the growth of mould, mildew and other nasties that are known triggers for asthma and allergies.
